The "Ways to Study" Flowchart

Studying

In class
- Taking notes
  - Clear, short notes
    - Use abbrev.
  - Choose your method
    - "Cornell" "Mapping" "Outline" etc
- Active listening
  - Write less, listen more
  - Ask questions
    - In class
    - In office hrs
  - Keep in mind what you already know + connect new & old info

At Home
- Note-taking
  - Take notes on the margin
    - In a notebook
  - Don't highlight everything

- Review
  - Read notes from lecture w/in a few hours after lecture
  - Review notes from previous lectures before new lecture

- Practice
  - Problems, tests, test yourself

- Practice
