A Woman to Her Lover

1st condition
She doesn't want to be a housewife or a servant
Not to suffer in silence

2nd condition
She doesn't want to be a non-entity, a过剩 desire. Her demands to her husband:
liberated, enlightened, educated

3rd condition
Or if you think to wed another
Whose every deed and word and wish is golden
A wingless angel who can do no wrong
Go! I am no doll to dress and sit for feeble worship
If that be what you ask, fool, I refuse you!

4th condition
The repetition of the "is"
Sound reinforces the sound of sexuality

5th stanza
Where she outlines her expectations of an ideal marriage
Marriage has ups and downs and they need to face problems together as a team.

6th stanza
But Lover, if you ask of me
That I shall be your comrade, friend, and mate
To live and work, to love and die with you,
That so together we may know the purity and height
Of passion, and of joy and sorrow.
Then O husband, I am yours forever
And our co-equal love will make the stars to laugh with joy
And we shall have the music of the spheres for bridal march
And to its circling fugue pass on, hand holding hand
Until we reach the very heart of God.

God created us equal there is no gender different. Both genders equal and we compliment each other.
