- Ignorance of agency of women leads to sexual harassment

Resistance to cultural messages
- Women are objects of consumption
- Violence against women is permissible
- Women are passive and powerless

Discourse surrounding sexual crimes
- Recently in Edmonton (Terwillegar), police said alleys aren’t to be walked down, especially at night (victim blaming)
- Consent – sexual assault and blaming the victim

Intersectionality – attempt to redress past exclusions from feminism
- Oppression cannot be reduced to fundamental type, and oppressions work together in producing injustice
- New development of inequality – need to understand how it intersects within people
