The Word Fountain of Life

“One a certain occasion a young man purchased a liner ticket to take an extensive trip. It was a dream come true. During his trip he ate almost nothing since he had spent all of his money on the ticket. He did not think if he could afford to pay a restaurant bill on the ship. On the last day of journey feeling he could no longer endure the hunger, he headed to the restaurant saying to himself “Even if I have to pay the bill by washing dishes, I must have a proper meal.” What a surprise he had when he asked the waiter for a bill and the waiter said “ No Sir, you do not owe anything, your ticket covers all the same.” We have fountain of provisions and blessings in our hands. The Word of God, but though we have this fountain of life with its promises we do exactly as the Young man in the story. We live without enjoying all of the good things God has for us, ignoring the Word and missing, His promises and blessings. We need to love the Word and follow it’s instructions, just as a captain of a ship follows his compass. Doing this we learn how to act with wisdom and get the most. We can out of the Bible for our lives. The Bible is the greatest of all treasures. It has the answers to all our needs, tell us how to manage our finances, and how to deal with problems, family, and emotions Joshua 1:8 says “This Book of the law shall not depart from your mouth, but you shall meditate in it day and night that you may observe to do according to all that is written in it, for then you will make your way prosperous, and then you will have a good success. God has given us His Word for a purpose. It is to be the daily guide by which we walk and it is the measure of all our decisions and circumstances. The Psalmist says in Psalms 119:105. “Your Word is a lamp to my feet and light to my path.” God inspired different men in diverse time and cultures to write the Word to make our ways prosperous and right.
