This note says that I am a part of the public. These words carry specific meanings:
- It may be a caution after 2 days were taken in a trap.
- The text is the text.
- The meaning can be found in a book.
- The text is what the author intended to say.

Q: Does once at a time mean what the author intended to mean? And if so how can we tell?
A: By reading other works by the same author.
2. Focus on other works and readers of that time period.
3. Understanding how authors and readers read texts.

New Gilders
An attempt to bring together the different forms that are involved in the analysis of language, imagery, and symbols as discussed in literary theory.
