b. Benefits can lead to poverty trap or can disproportionately benefit well off eg universal healthcare/education

c. Knowledge based economy – people are excluded

6) Thatcher- “welfare state denied individual responsibility, stifled creativity and reduced efficiency.

CRITICISMS

1) Liberal Equality best from philosophical point of view but promotes wrong ethos in equality eg views disadvantaged with distrust and disrespectful pity to ‘deserving poor’

2) Should be kept as remedy to peoples circumstances.

3) Feminists- None of theorists have made effort to state how inequality between men/women can be removed.
