There is some debate however historians generally assume Jesus was born in Bethlehem between 6 BC - 4 BC before fleeing to Egypt. 0 AD is the traditional date of Jesus’ birth. Notable times in the life of Jesus are as follows

Age 12 he visited the temple in Jerusalem, after this he worked until he was 30 as a carpenter before setting out on his mission. He was baptised in the River Jordan by his cousin John as well as taking time to go into the wilderness and also began calling his disciples.

Throughout his life Jesus performed many miracles, such as turning water into wine, calming a disastrous storm, curing the lepers, healing Jairus’ daughter, walking on water, the feeding of the 5,000, the miracle of the Two Blind Beggars, the curing of paralysed man.

Jesus’ bore no prejudices in his work and respected the lives of every person he called out to those segregated from society like the lepers, the blind. In the gospel of John he rejected racism against the Samaritan woman he challenged cultural practices against women. He confronted those in power like the Tax Collector (Luke 19 1-10) even those who claimed to have power of spirituality Pharisees: (Luke 6:1-11; Matthew 23:1-3, 23-28).
