part in one.’ Two thousand men died at Clyst Heath. A posse of Devonians went north up to the Exe Valley, where they were overthrown by Sir Carew. Their corpses of their leader hung on gibbets in Bath.

Afterwards:
A lot of rebels escaped, Arundell included, who fled to Launceston. He was then captured and brought to London, and killed. Wynslade was found at Bodmin, and faced a similar fate.

The killing in the Prayer Book rebellion, and the English Prayer book introduction was seen as a pivot in the Cornish (the language). It has also been suggested that before the rebellion, the language had become better, and more donations had been made to Cornwall as an ‘independent state’ and that anti-English people had been getting stronger, making more causes for the rebellion.

Bishop of Truro’s apology:
In June 2007, the Bishop of Truro, said that the massacre, which tried to stop the vicious Prayer Book Rebellion, was a ‘huge mistake’, and the English Church should be ashamed.
