

→ Conclusion

- I- Last but not least, allow me to conclude by pointing out that a gay couple never accidentally had a baby they didn't want so perhaps it is time we clarified that the issue is with straight people who need to quit bringing children to the world they didn't truly want to engage in raising.
- II- Regardless the fact that adopted children by same-sex parents lack biological similarities like having the same eye color or the same smile but one can't argue that they have all of their parents' heart and that is what truly matters.

"Understand that sexuality is as wide as the sea. Understand that your morality is not law. Understand that we are you. Understand that if we decide to have sex whether safe, safer or unsafe, it is our decision and you have no rights in our love making."

Good morning fellow classmates,

I started with an inspirational quote by Derek Jarman about sexuality in general. The reason why you might ask I would decide to insert the prior in a speech specifically meant to discuss gay's adoption is quite simple really. Just like we, society as a whole, are not entitled to judge who you, your neighbor or anyone decide to build a home with or point fingers to your
