(E) Anatomical transverse section of male pelvis and perineum. Inferior view.

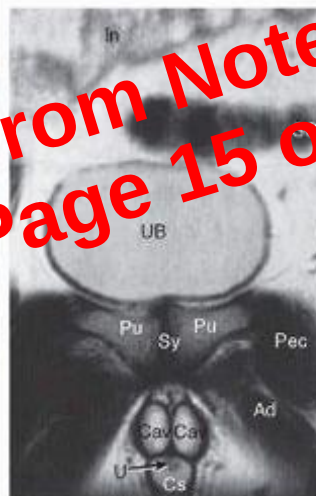

(F) Transverse (axial) MRI

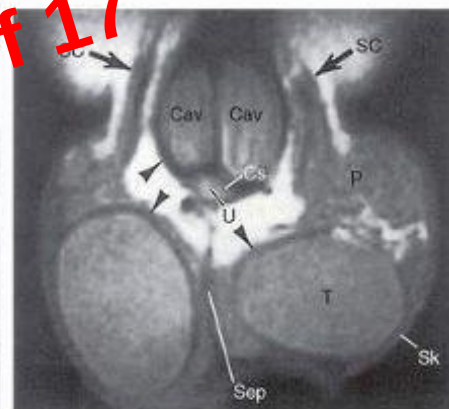

A	Anal canal	In	Small intestine	Pec	Pectineus
Ad	Adductor muscles	IPR	Ischiopubic ramus	Pu	Pubic bone
B	Bulb of penis	IR	Inferior rectal nerve vessels	QF	Quadratus femoris
Cav	Corpus cavernosum	IT	Ischial tuberosity	R	Rectum
Cr	Crus penis	LA	Levator ani	SC	Spermatic cord
Cs	Corpus spongiosum	LS	Lumbosacral trunk	Sep	Scrotal septum
GC	Intergluteal cleft	Max	Gluteus maximus	Sk	Skin
IAF	Ischioanal fossa	OE	Obturator externus	Sn	Scrotal glands
IL	Iliac	OI	Obturator internus	Sy	Pubic symphysis
		P	Pampiniform plexus	T	Testis
				U	Urethra

(G) Coronal MRI

(H) Coronal MRI

(I) Coronal section
