First of all, you can see my total income, payouts, daily income and balance amount in the above image. I have earned \$1097 (Rs.65,000+) till date from ClixSense. Although my joining is January 2012, but I had started working seriously last year only after receiving 2 small payouts.

Now, move to the top blue colored navigation menu where you can see different ways of earnings. As you can see, there are number of ways you can earn in ClixSense as explained one by one below.

1. By viewing ads

Get paid to view ads is the main income option in ClixSense. When you click on view ads option, you will find number of ads there. Just refer this image-
