Zika Virus Protection

Unregistered version, please register: www.word-pdf-convert.com

1) KEEP MOSQUITOES OUTSIDE:-

- Use an outdoor insect spray made to kill mosquitoes in areas where they rest.
- If you have a septic tank, repair cracks or gaps.
- Once a week, empty and scrub, turn over, cover, or throw out items that hold water.
- Tightly cover water storage containers.
- Use larvicides to kill young mosquitoes in large containers of water that will not be used for drinking.
