

WW2

- Largest war in human history
- Involved countries, colonies, and territories around the world
- Over 7 million deaths

Causes

- W WWI & the treaty of Versailles
- A appeasement
- R risk of totalitarianism

End of WWI

- Germany lost all land
- Had to pay 57 trillion
- Germans became bankrupt, embarrassed, and
- Desperate people turned to desperate leaders (Hitler)

Appeasement

- giving someone something to make them happy and leave you alone
- Hitler demanded land that wasn't Germany and others just gave it to them
- Nations were trying to avoid war

Risk of Totalitarianism

- No right to vote
- No right to speech
- govt watching you

Important Leader

Hideki Tojo - Japan
