

Finland is no.1 of the world in education ..so why we don't see what it do to make a strong stablished education system ?? if we ask .. they will tell us

- make teaching based on co-oprtev not comptation
- little school days

-foucs of the main points amd sides that creat a good citizen with ethical and good mannar

in my opnion also we should:

- deveolp the methods of explaining of lesson
- promot online achedmy

-stablish a motivated environment around the student to make him belife of his abilty
