Definition Essay :-

Examples : a definition essay may try and define

- The meaning of an abstract concept ,like love;
- The true meaning and importance of honesty.
- How the meaning of family goes deeper than just your blood relatives.

A definition essay attempts to define a specific term . it could try to pin down the meaning of a specific word , or define an abstract concept. The analysis goes deeper than a simple dictionary definition ; it should attempt to explain why the term is defined as such . it could define the term directly , giving no information other than the explanation of the term , Or , it could imply the definition of the term , telling a story that requires the reader to infer the meaning .
