

How to start wem from internet with 0 \$:
(From my Experience)

- I - First think you do is create account in Paypal and Activit with card.
- II - go to some web site who gives to you some money with just giving you opinion likes new vista; you give; Hours fall, EP 505 ...
you can get some money with Pancee.com too.
- III - After that; At least your count paypal has 30 \$ - 50 \$.
- IV - create your web site using domain .com with 10 \$; you must choose a name that attracts attention and Has a popularity; easy and cool. create a web channel.
- V - sign up in google Adense; and then creating Home on your web site; you can use some Ads to increase your winnings.
- VI - After 3 month or more; I'm sure you make profits more than 300 \$.
- VII - you can invest it in atern on some web site to increase your profits.
- VIII - Some Advice is learning; photo shop so you can sell your works on (39 design; on Teepring, Teezity) or share react is also good.
