3. What are the costs and benefits of taking a year off from school after graduating from high school?

Costs:

you'll graduate later than those who go straight into college

you may be way out of practice when starting back up a whole year later

Benefits:

you have more time to adjust to living as an adult

you have more time to maybe go do some things you've always wanted to do like travel

4. What are the costs and benefits of taking a full-time job to pay for tuition as you go to college?

Costs:

You have less time to relax

You will be more stressed out

You might miss out on some of the college experience

Benefits:

You don't have to worry about tuition after college when you're trying to find a life long career and start a family

You will have more job experience to help you along while finding a career
