- *Textbook of Diagnostic Microbiology*. Mahon, Connie R. Elsevier. ISBN: 0-7216-7917-X.

ATTENDANCE

For legitimate reasons only, a student is allowed to absent him/herself for a maximum of 5 contact hours per course. A written and valid justification should be provided for any of those absences. However, any absence greater than 1 hour will be counted toward the 5% evaluation. Absences beyond the specified limit will be assessed by the Chairman of the Department and may result in an AW or other disciplinary measures. An unexcused absence from a drop quiz will result in a zero on that drop quiz.

POLICIES AND PROCEDURES

- No late assignments will be accepted.
- Ill-behavior is strictly prohibited. A student will be sent out of the class room if he/she is found doing a **misbehavior** **cross-talk** when the lecture is in progress. Remember, in such cases, that student is marked to have an **“unexcused absence”** from that lecture.
- Numerical grades will be assigned in all exams and assignments. Only the final grade will be a letter grade.
- Refer also to the class policies and procedures in the course rules and regulations of the faculty.

EXAM DATES

<i>Exam I</i>	Thursday, November 2, 2017
<i>Exam II</i>	Thursday, November 30, 2017
<i>Exam III</i>	Tuesday, January 9, 2018
<i>Final Exam</i>	Final exam will be determined at a later date*.

Final exam period starts on Monday, January 22, 2018 and ends on Tuesday, January 30, 2018.

* Refer to the university examination schedules posted prior to that period.
