

Feisty G: School missed me because of poverty and you deaf-ears government 'trying to find a solution for so long and you have all those Diploma and Degree now people and deaf-ears government hear me (*opens a French book*) say "*À bientôt*" to the Con Don Poverty and hello hi-hi to. Income Redistribution-yes develop road and bridge because the (JEB) Jamaican Economy Bus can't swim 2. Health, Food and Water-provide programs to feed the hungry and the needy. 3 Provision of Skill and Training- teach to youths how to breed the fertile grounds so their families can gain A few pounds. **Education-** deaf-ears government make '**Free Education**' free, for this country is a big cage and Education is the way, Education is the key so free it up so '*WE*' can be free.

Deaf-ears government hear me don't let your people beg nor plea
Don't take away Feisty from me, Feisty G all I desire is a Bigger Better Life for us and our country so finding '**Strategies To Mitigate Poverty**' should be your main propriety.

(*with all said Feisty G went back to sleep and this time she slept for eternity for the day deaf-ears government mitigated poverty she'll be 103*)
