

To start CPA marketing and earn commissions you need find an offer to promote, then get accepted by a CPA network.

You can find an offer almost instantly but getting accepted into a CPA network might take a week.

But, once accepted you can instantly start promoting an offer of your wish.

Tips -

1. Find different offers - Your first step here will be to find different CPA offers available in the market.

And the best way to dig them out is to visit oDigger.com and OfferVault.com.

Both these sites work as search engines for finding CPA offers. They aggregate offers from all the reputed CPA networks available worldwide.

2. Select your perfect offer - If you already own a blog in any particular niche then select an offer related to that niche. Make sure it is relevant to your blog and audience.

For e.g. If your blog talks about android app gaming, then a CPA offer which pays you when somebody installs an android game app would be perfect for you.

3. Getting accepted - Believe or not but getting accepted into CPA networks has become a huge stumbling block for most of the marketers.

Most of the CPA networks nowadays implement tough scrutiny to ensure that only high quality and legitimate marketers get access to their offers.

3. More people will download your app more money you will make.

4. You can also promote affiliate products through your app and earn extra commissions.
