

- Teacher clarifies student's roles, and gets the students to make the decisions for themselves based on elements within the lesson
- Inclusion is based around how can we make it easier for students to participate in the activities
- Within the mini serve, students can choose their racquet size, where to stand on the base line, their tennis ball they want to use and trajectory of the tennis ball
- This enables all students to better enhance their confidence and skill of the serve
- Students show ownership in what they are completing
