Copyright Infringement

Intellectual Property

- An idea, an invention, a form of literary work, or a research you have the right as to how it should be used by others.

“No part of this book may be copied, reproduced...”

This is a copyright page.

- The copyright law includes your rights over your work and anyone who uses it without your permission is punishable by law.

QUICK TIPS

Preview from [Notesale.co.uk](https://www.notesale.co.uk)
Page 8 of 25

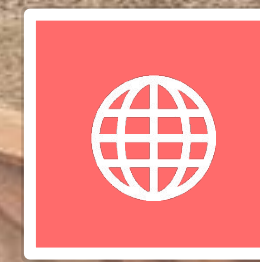

Understand

Express something using your own words, but you should give credit to the source.

Be responsible & creative

Know if something has a copyright. Add your own creative genius in everything that will be credited to you.

Know the Law

If you have doubts that what you are doing does not fall under the policy of fair use, seek permission first.

Thank you!
