

- The employees should be provided with uniforms from the company as this would promote professionalism and improve the brand image.
- As women employment was less, more women should be employed.

BIBLIOGRAPHY

Pictures displayed above are both from Google images and live taken from the industrial visit, mentioned in the caption accordingly. Certain information in the introduction of the company has been taken from the internet and can be tallied from the same. Other than this the entire information is on the basis of the notes noted down during the industrial visit. The language has been altered to the best of my knowledge.
