

MANAGEMENT PRINCIPLES	BEST PRACTICES	MY THOUGHTS
ESPRIT DE CORPS – motivate and support each other.	Applicable in all types of industry from Top management to their subordinate.	The success of the company depends on how their employee works. If they have cooperation then the teamwork is effective which means that they have a harmonious relationship to each other because they work for the common goal.
DIVISION OF WORK- Aces in their places. Position the employees on the area where they excel.	Applicable in all types of industry from Top management to their subordinate.	The company has its own area of expertise wherein they divided their employee based on their forte and skills. They position them based on the needs of each department, it is much easier for them to work on it since they have a background on it though training is a required process, still coping up with such tasks is much easier to accomplish.
EQUITY- fairness among all employees, rule for all.	Applicable in all types of industry from Top management to their subordinate.	Top management must be consistent in treating their employees fairly to avoid misunderstanding, envy and discrimination.
