

Naming names, right to privacy, invocation of the right to privacy could make you look very guilty. They were investigating these Hollywood people in the first place because they suspected that people were breaching and threatening American rights, such as privacy- so they had to breach the right in order to stop the people they were worried were doing it.

Google 'The Kitchen Debate'

The reward for being a woman who can suffer is maybe a man will light a cigarette for you.

Critical work might offer a way out.

James Joyce *Finnigan's Wake*- notoriously difficult book to read, to the text that weekly reading groups often discuss it a page a week- the book Esther has been assigned, has tried to read and panics, can no longer read anymore.

Six letters in Elaine, six letters in Esther- six letters in Sylvia, too.
