

2. Models

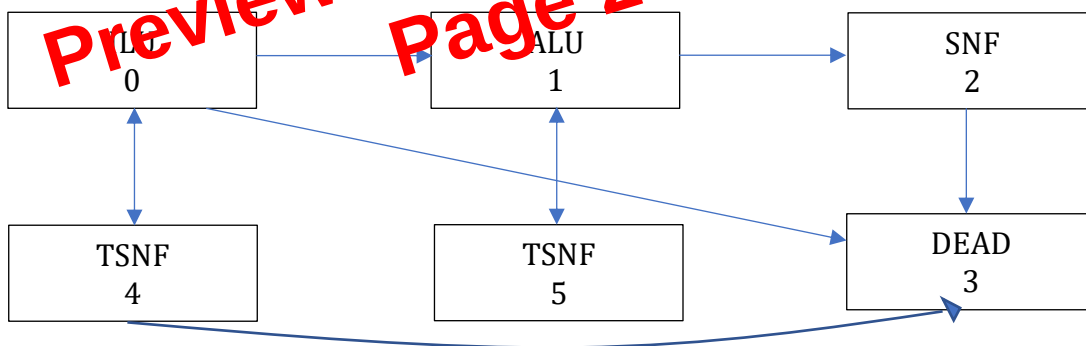

- No reentry

- CCRC with temporary SNF

- CCRC with temporary SNF from ILU and ALU

- 3. Tips: CCRCs allow the money to flow in the opposite directions at the same time.

Structured Settlements

1. Structured settlements are commonly used in Workers Compensation Insurance (workers comp for short), an insurance purchased by an employer to pay benefits to workers injured on the job, and also commonly used in medical malpractice and motor vehicle accidents.
