And say why you think they go there?

SAMPLE ANSWER:

There is a little park in my local where we can complete a few exercises. It is situated at the focal point of the city, so it is available to individuals who love to unwind and loosen up. Some appreciate riding a bicycle, in-line skating or messing around like badminton. There is likewise a ball court and a jungle gym for youngsters. For my situation, I appreciate going there with my companions for an excursion. The entire spot is encircled with blossoms, plants and trees. In spring, the spot looks delightful in view of the sprouting blossoms that encompasses it. Individuals like to invest energy there to watch the cherry blooms. There is additionally a man-made stream. During summer, individuals can relax and paddle on the stream. During ends of the week, this park is a truly charming spot for the family. Likewise, the ground is covered with grass so youngsters can play securely. For this load of reasons, individuals in my local like visiting this park.
