

Effect on Airlines

FedEx

- stunning Airbus .
- canceling a \$3 billion order .

Emirates Airways

- "It's very serious. This will do us serious damage."
Emirates President Tim Clark.
- received their "wave 1" aircraft(first four A380) in
year 2008.
- Facing delays Airbus A380 aircraft until now.

CONCLUSION

At the end even though airbus should have planned it well to overcome any kind of delay causes, but the airlines demands & financial problems were also a big cause of the delaying problem in delivering the giant plane, adding to that the challenges faced to gather A380's huge parts to the assembly sites.
