

"Your essay on the impact of technology on society should be a minimum of 300 words." (In this example, the length requirement for the independent writing task is 300 words.)

"Your argument for or against the mandatory use of school uniforms in all schools should be at least 300 words." (In this example, the length requirement for the independent writing task is 300 words.)

Use Cases:

College Admissions - Many universities require a minimum length for essays as part of the admission process to ensure that applicants have adequately addressed the prompt and demonstrated their writing abilities.

High School Exams - Independent writing tasks in high school exams often have a minimum length requirement to ensure that students have fully developed their ideas and responded effectively to the prompt.

Professional Writing - In professional settings, length requirements are often set to ensure that written assignments are complete and provide sufficient detail.

In summary, the length requirement for the independent writing task is critical to consider as it affects the quality and completeness of the essay. Essays that are too short may not adequately address the prompt, while pieces that are too long may need to be fully developed or may wander off-topic. A minimum length of 300 words is a good target for providing a well-developed and complete response to the prompt.

Standardized Tests - Knowing the prompt is critical in standardized tests as it ensures that the test taker understands the task and can write an essay that fully addresses the prompt.

Classroom Settings - Teachers often advise students to read the prompt carefully and ensure they understand the task before writing their essays. This helps students write a relevant, well-structured essay that fully addresses the prompt.

Professional Writing - In professional settings, it's essential to understand the prompt before writing an assignment. This helps ensure that the written piece is relevant, well-structured, and fully addresses the task.

In conclusion, knowing the prompt is a crucial step in writing. Taking the time to read the prompt carefully and understand the task before starting to write helps ensure that the final product is a high-quality essay that fully addresses the prompt.

6. Plan your essay: Spend 2-3 minutes planning your paper, including your introduction, body paragraphs, and conclusion.

"Plan your essay" means that you should spend a few minutes before you start writing, organizing your thoughts and outlining the structure of your essay. This includes deciding what your introduction, body paragraphs, and conclusion will be about. Having a clear plan can help you write more efficiently and effectively and ensure that your essay is well-organized and easy to follow.

Examples:

In an argumentative essay, the conclusion can be a powerful tool to leave a lasting impression on the reader. It can provide a final argument or solution to the problem discussed in the essay.

In an opinion essay, the conclusion can be used to summarize the writer's perspective and give a final statement of their stance on the topic.

10. Vocabulary: Use a variety of vocabulary to express your ideas, including advanced words and phrases.

"Vocabulary" refers to the words and phrases you use to express your ideas in your essay. It's essential to use a variety of vocabulary, including advanced terms and phrases, to show your mastery of the English language and to express your ideas effectively. Additionally, using advanced vocabulary can help you score higher on the TOEFL independent writing task as it demonstrates your lexical resource.

Using a variety of vocabulary in your essay can demonstrate your mastery of the English language and help you express your ideas more effectively. It is essential to use a range of speech, including advanced words and phrases, to show the depth of your language abilities. Here are some examples of how you can use vocabulary in your independent writing task:

Examples:

Instead of using the word "good," try using synonyms like "excellent" or "superior" to convey the same meaning.
