Answer: b. the clinking sound of the medals.

12. What was the aunt's reaction to the Bachelor's story?

Answer: The aunt felt that the Bachelor told a most improper story to young children. He had undermined the effect of years of careful teaching.

C2. Answer the following questions:

1. How did the Bachelor describe

- a. the pigs in the park.

Answer: The bachelor said that there were lots of little pigs running all over the place. They were various kinds of them some black with white faces, some white with black spots, some black all over, some grey with white pattern and some white all over.

- b. the fish in the pond.

Answer: The ponds in the park were filled with, fish of gold, blue and green colors.

- c. the wolf in the park.

Answer: The wolf which came prowling into the park was enormous. It was 'fund-color all over, with a black tongue and pale grey eyes that gleamed with unspeakable ferocity.

2. What qualities of Bertha earned her the three medals?

Answer: Bertha earned several medals for goodness. She earned a medal for obedience, another medal for punctuality and a third for good behaviour.

3. Give reasons for

- a. the absence of sheep in the Prince's Park.

Answer: There were no sheep in the Prince's Park because his mother once had a dream that the Prince would either be killed by a sheep or else by a clock falling on him. So, they banned all sheep in the park.

- b. the absence of flowers in the Prince's Park.

Answer: There were absolutely no flowers in the Park because the pigs had eaten them all.
