

Artificial Intelligence Syllabus Discussion and Analysis for NTA UGC NET

In today 's video we are going to see Syllabus of artificial intelligence. We are discussing this specially for NTA and NET exam. The syllabus if Artificial intelligence is mostly same only But if we talk about NTA or NET exam Then they have already given syllabus of Artificial Syllabi on their website. The first topic is approach to AI Approach to artificial intelligence I have added this broad topics according to their syllabus only And if you also follow the book of Rich and Knight Or of Soraj Kaushik Then in that also you will get the topics like this unit wise only So if we talk about approach to. AI So this is the most important Why am I telling this most important Because every time you. will get question from this unit And which is the topic The first. topic is heuristic search Over here in heuristic. search we will talk about A * , AO * * , Best first We talk specially about this algorithm After that we talk over here about game playing This is the most important topic in the artificial intelligence 2nd most topic over here is Fuzzy set I will this also 3 start Because you will get questions from this also every year And questions are of same pattern only Either it is AO * or it is best first Or you'll get questions on DFS and BFS. Then I want to give neural network 2 stars over here.

Star is that You do n't have to leave this topic and go in knowledge And along with that we have reasoning In reasoning we have statistical reasoning and statistical reasoning. In NLP we have syntactic and semantic In Natural Language Processing these 2 are main topics Cover from these 2 topics only There is theory of them and questions come related to them only And many times I want to tell you one more strategy over here. I have bought this video And if you will start preparation according to this video Then definitely you will get a lot of help. And you will also enjoy that you will come to know Which topic you have to do Which topics you can ignore a bit. Thank you for your help.
