

Nearpeer's MDCAT Success Series 2022

Hello,

Welcome to the MDCAT success series with Sir Ammar Ali Ayub, the purpose of these live sessions is to uplift your MDCAT preparation. Remember, the butterfly effect of your tiniest flaws can pull you down to the darkness of failure. To cover these flaws all you need is to attend all these sessions and act as guided by the mentor.

You are here because you were motivated to ace the MDCAT, following series of sessions will give you the discipline that is required to actually ace the MDCAT Exam.

“Motivation is WHY to do, Discipline is WHAT to do”

I hope you'll use these sessions in true spirit. This is your last chance to grab the seat you've been for the last two years.
