How to Make an Extra \$250 Per Day with Chad GPT

In today's tutorial, I will show you how to use Chad GPT to make an extra \$250 per day online.

Chad GPT is a new AI software that can automate tasks for you and help you make money online.

All you need to do is use Chad GPT for free, follow the instructions in this video, and sell the generated articles, such as blog posts, social media posts, Instagram captions, or YouTube headlines, to people at a small price.

The money you will make from this is small but can add up over time. Additionally, I will show you at the end of this video, how to use Chad GPT to make even more money.

Steps to Make Money with Chad GPT:

Use Chad GPT for free

Follow the instructions in this notes.

Generate articles and sell them to people at a small price.

To get started, go to [FreeCash.com](https://www.freecash.com) and check out the website. Currently, I have made \$2.8K in profit from using this website.

How to Use Quora to Generate Affiliate Links

If you want to make money online through affiliate marketing, follow these steps:

Go to [quora.com](https://www.quora.com) and sign up for an account.

Search for a topic related to your niche.

Look for questions with a high number of followers.

Copy and paste the question into the search bar and hit enter.

Wait for the AI-generated answer to appear.

You can use this method for any niche. Once you have your answer, you can create a landing page for your affiliate link. If you don't want to post your link directly because it looks ugly and may get flagged, you can use [TapMap.io](https://tapmap.io) to make it more presentable and earn even more money.
