Upload and sell your notes via Notesale.

Follow our quick and easy three step process to upload your notes. They will instantly appear on our site, available for anyone to purchase them. The buyer makes an instant and convenient payment and we pass the money on to you. It really is that simple!

- Step 1: Upload your notes
- Step 2: Set your price
- Step 3: Tell your friends

?

Your notes need to be uploaded as a PDF — this is so that other students can see them exactly as you intended without having to pay for expensive software. Most scanners will scan directly to a PDF or you can 'print to PDF' from your favourite word processing package.

You may want to look at installing [Primo PDF](#) if you are having trouble
