

Exams are unavoidable for most of the students in the current system of education. One has to face examination at one time or the other. In our modern educational system, EXAMINATION is the only way of assessing the academic ability of a student. Hence, examinations have become crucial for students. There are several examinations, which a student has to take to be able to go for higher level of education. However intelligent or well read a student may be, if she/he does not do well in a particular exam the consequences of not being able to continue education are there. Doing well in exams is thus very important.

**Success in the Examination Depends on many Factors like:**

- Motivation to study.
- Commitment to complete education.
- Time management.
- Regular study habits.
