

Species

Genus

Family

Order

Class

Phylum / Division

Kingdom

note : in ascending order for better understanding.

Mindmap for better understanding

mindmap for better understanding

Points to remember:

*Ratus ratus* (rat)

*Albugocandida* (*cystopus candidus*) the original name is written outside the bracket.

*Naja naja* (cobra)

*Pinus glabra* (cedar pine)

*Ilex glabra* (inkberry)

if the species name is handwritten it must be written in italics and underlined also, generic name first word must be in capital and specific epithet first word must be in small letter.

note : this note is enough for exams and ncert lines are included as well.
