About Us – The story of Bunches

Bunches, a family business founded in 1989, was originally a small flower stall in Mansfield, Nottinghamshire. The owner discovered that you could put flowers into boxes and despatch them nationwide to customers, using the Royal Mail to deliver. Bunches changed to a 'flowers by post' company in 1990. Orders were taken over the Post Office counter and then telephoned through to the Bunches office. In 1992 Bunches expanded to all Post Offices nationwide. 5

By 2001 Bunches had outgrown its factory and moved into purpose-built premises with modern sales, production and despatch facilities. Recently, they have just completed a £1 million extension, doubling the size of production floor space and adding new offices.

Bunches have now delivered over 5.5 million bouquets throughout the UK and has an extensive online presence. 10
