

GHOST OF CHRISTMAS YET TO COME

"It was shrouded in a deep black garment which concealed its head, its face, its form and left nothing visible except one outstretched hand"

"Ghost of the Future. I fear you more than any spectre I have seen. But as I know your purpose is to do me good, I am prepared to bear you company with a thankful heart."

"He frightened everyone away from him when he was alive, to profit us when he was dead, ha, ha!"

"If there is any person in the town who feels emotion caused by this man's death, show that person to me, Spirit, I beseech you!"

"Scrooge crept towards it, trembling, and following the finger, read upon the stone of the neglected grave his own name, Ebenezer Scrooge."

"I am sure none we shall meet of us forget Tiny Tim"
 "A churchyard, overrun by weeds, the growth of vegetation's death not life - a worthy place!"

"To a poor one most. Because it needs it most"
 "I see a vacant seat. The child will die"
 "The numbers of people on the way to friendly gatherings"

GHOST OF CHRISTMAS PRESENT

"Will you decide what men shall live, what men shall die? It may be in the sight of heaven, you are more worthless and less fit to live than millions like this poor man's child"

"They are Man's. This boy is Ignorance. This girl is Want. Beware for I see that written which is Doom."

"Scrooge was the ogre of the family and the mention of his name cast a dark shadow"

"Even here.. two men wished each other Merry Christmas in their can of grog."

"Yes/No game.. a disagreeable, savage animal. It's Uncle Scro-o-o-o-gel!"

"A jolly giant who bore a glowing torch with a cheery voice and a joyful air"
