

Major Rivers: Ganga, Yamuna, Brahmaputra, Godavari.

Climate: We have summer, monsoon, and winter.

🎯 Final Thoughts:

Education opens our minds.

History teaches us where we came from.

Geography shows us the world we live in.

Together, they shape how we think, how we act, and how we understand the world around us. If you want to grow as a person and make a difference, these three subjects are your best friends.
