

Differences between guidance and counselling.

Guidance	Counselling
More general and comprehensive than counselling.	Theory based and structured.
Guidance precedes counselling and paves ways for it.	Counselling is a complicated process.
Stressess theoretical aspects.	Stressess practical aspects.
Based on intellectual attitude.	Based on emotional attitude.
Process helping people to make choices.	Process to solve problem from the root.
Covers problems on education and carrer related (simple problems).	Solves personal and social issues.
Provided by guidance and unskilled teacher.	Provide by a counsellor or an expert.
