

Hello my fine friend Arnov. I am glad that I have an opportunity to write you. I had free days from work. We always receive it after "the outside work day" we have just back from grandmother, brother Oleg has left works, that we could visit the grandmother all family. We had very good time there, We couldn't stayed at home, all the time because There was a desire to spend time on open air, I skied in the forest. Then we washed in the sauna ("Banya") and birch broom. You know how it is? we had fine steam ! You like a sauna? I would like have sauna with you :) Oleg's wife was there also, in the evening my brother Oleg cooked barbecue despite of cold weather and salad with vegetables! We had remembered our grandfather. He has left us in these days in 1984. in our country there is a tradition. To recollect died relatives in day of their death... Than Oleg took his mandoline (it is like small guitar) and sang, grandfather's favorite composition: "Tanks on the field" (folk song). It is very old composition was very popular during the second world war where our grandfather Fedor took part. He had many medals of honor, I wrote to you about him... The grandmother told about the grandfather he shoot gun and sometimes shooted, but this days shoot gun belongs to Oleg He hunts now with it. Oleg like to shoot in the evening and I tryed also :) He once took me on hunting, but nevertheless I could not shoot at animals.. But I very like fishing:)
