

Do not hate those who say bad things tuk knock, as they are for you getting stronger every day.

Sometimes, you think someone has changed without you realizing it happened because he started acting up.

The greatness of a person is not measured by the strength, but measured by how he stood at attention every time he fell.

So yourself so that when someone loves, you need not fear if he would find yourself not someone who wanted him to love.

Hopefully the above Words of Wisdom beneficial to anyone who reads it. And hopefully we can all take a lesson from what has just been read, because the best man are those who can take the wisdom of whatever they encounter and apply them to a better life. Do not forget to SHARE and LIKE to further spread the wisdom that you feel.
