18. I don't know. I'm not sure why myself. But if I were to take even one step back, I believe that all those important oaths, promises and many other deals 'til now, will all go to waste and I'll never be able to return before you, ever again.
19. So what if you're a girl.
20. If I can't even protect my captain's dream, then whatever ambition I have is nothing but talk...
