

Briefly explain the concept of homelessness and discuss recent social policy developments that have been introduced to tackle the problem in Ireland.

The essay will begin by explaining the concept of homelessness. The discussion will focus in particular on the problem of youth homelessness. It will then examine some of the policy interventions introduced by the Government to tackle the problem. The discussion will conclude by providing an overview of the key points raised.

Explain concept of homelessness

Overview of youth homelessness

Identify and discuss two Government policies
