

Servant- I am sorry Mam.

(In the evening...)

Sandra(to Jack)- Are you fine now?

Jack- Yes, I am better now. I don't know that what the issue was with the meal. Its my favorite dish and it's the first time that something like this has happened.

Sandra- Your friend Luke called and he wanted to meet you with regards to some school project. You should talk to him.

Jack- Yes. I will call him back.

(Sandra exits and Jack calls his friend Luke)

Jack- Hello? Luke?

Luke- Hey Jack. How are you feeling now? Your sister told me that you were not feeling well. What was the matter?

Jack- Nothing to worry about. Its just that I was not able to have lunch properly, you know, just basic thing. Nothing else.

Luke- Okay I am glad that you are fine. Anyways I just called to remind you that we have an important project in school due next week so don't forget to do it and yes, get well soon. BYE

Jack- Ohkay, bye.

(Jack hangs the phone)

(Reana enters)

Reana- How are you now dear?

Jack- I am fine Mum. Nothing to worry about. Maybe I just swallowed something else with the lobster

Reana- I am very sorry dear.
