

DIRECTING

The managerial function of directing is like the activities of a teacher in a classroom. In order to teach, a teacher has to guide his students, maintain discipline, inspire them and lead them to the desired goal. It is a very important function in the management of any enterprise. It helps the managers in ensuring quality performance of jobs by the employees and achievement of organisational goals. It involves supervision, communication and providing leadership to the subordinates and motivating them to contribute to the best of capability.
