

SHOPPING

When you go shopping, look out for another English name: the mall.

There you will find **jeans** (stretch or skinny), **shorts** or **tennis shoes**. Women might go to the **supermarket** while the men browse the latest **gadgets**.

Maybe you are going to a **black tie** party, or perhaps you want to look for a **trendy** outfit. It might be easier to find a cheap **jacket** at an outlet – a shopping centre that is permanently on **sale**. With a little bit of luck you might even find an **80% off deal**. Almost **free**!
